Monthly Memo from The Principal

September 18, 2023

Happy Fall!

Fall is in the air! And we can certainly feel it as school moves into full swing here at St John's! The classrooms are buzzing with chatter and teachers and students are engaging in learning each day!

It makes my heart happy to greet all the St John's families at the door each day and be able to visit the classrooms throughout the day to just peek in at all the good things going on!

I'm thoroughly excited for this school year and proud to be part of the St John's Family.

Autumn leaves don't fall.
THEY FLY!

They take their time and wander on this...
their only chance to soar!

Teacher's Corner

Teachers started off the year with a bang! Inservice brought some great opportunities to experience team building and find our focus for the year on building relationships with each other, students and families!

More to Know...

Updates

We had a great turnout for open house this year! It was exciting to see all of the families come in for the first time to school and see the changes that were made over summer! In addition, we are very grateful for the families that were able to attend the first annual Mandatory Home & School Meeting! The information and discussion were top notch! Thank you :)

As we continue to update our St John the Baptist Catholic Church and School Facebook Page and Website, make sure to like & follow us so you can get the updates as we jump in with both feet in the upcoming weeks!

Please be patient as we are continually updating our website and social media to communicate relevant information to you in a timely fashion! As we have information you too will have information you need!

Apparel

Make sure to get all your St John's Clothing and Apparel! If you would like to place an order head to <https://fourseasonsmarathon.chipply.com/StJohns/> Closes Thursday, September 21st

Renaissance STAR Testing is Sept 18-22
Grades 4K-8

For this next week we are planning on STAR testing. Sufficient rest and a good breakfast will be helpful in helping your student prepare. Teachers will be doing testing throughout the week.

BACK TO SCHOOL
