Construction Update

We have walls! And two new offices with a new classroom! It looks very different around here as you walk into the school. Thanks to the Gajewski's Timberland Builders for building the walls & doing the finish work, as well as parish members Joe, Mary, Polly & Barb for mudding and painting!

HOW TO KNOW WHAT'S HAPPENING...

We try to communicate as much as possible, but with so much going on we've had feedback to find a **SINGULAR** place **where parents and family can 'be in the know'** about what's going on for your student(s)! So we've created a **St John's School Google Calendar!**

1. If you are a Google Geek like me and live and breathe by your google calendar, you can go to the school website and **subscribe to the calendar** with the **Google Calendar Invite Link** above the calendar on the Calendar Page <https://edgarcatholic.org/stj/school/calendar/>
2. OR you can **print** it out by clicking the **Print button** in the upper right corner of the calendar. From there you can hang it on your fridge!

We'll do our best to have it up to date before each month begins!
