WELCOMING STATEMENT

St. John the Baptist is a Catholic School in the Diocese of La Crosse. As a Catholic School we will teach and advocate our Catholic Faith. All students are welcome in our school, and all parents and legal guardians must understand that Catholic Doctrine will be taught. The passing on of our Catholic Faith is our number one priority.

VISION STATEMENT

St. John the Baptist Catholic School provides a faith-filled education where students grow in spirit, academics, and service.

MISSION STATEMENT

The mission of St. John the Baptist Catholic School is to educate God's children and promote Catholic values through academic excellence and service to others.

WE ARE A TOB CAMPUS

WHO WE ARE...

We are first and foremost a Catholic school, fully committed to Jesus Christ and the Church.

What St. John Paul II shared in his reflections called the Theology of the Body is a re-articulation of who the human person is, created in God's image and likeness. Grounded in our Christ-centered Catholic identity along with the profound vision of man proposed in the Theology of the Body, we are cultivating a "TOB Campus" with profound implications.

We teach that every person is a unique, unrepeatable gift - and we are honored to uphold the dignity of every one in all we do.

We see education as an act of love and a sharing of everyone on campus in the work of Christ, the Good Teacher.

WHAT THIS MEANS ON CAMPUS...

PRAYER We affirm the priority of every student and staff member's unique and unrepeatable relationship with God through Mass, reconciliation and daily prayer.

SERVICE We recognize the importance of serving the needs of our brothers and sisters in the human family as a response of gratitude to God's love for us.

DIGNITY OF THE HUMAN PERSON We uphold the basic worth of every human person. This worth is not earned or achieved but comes from God in whose image each one is made.

RECOGNIZING UNIQUENESS We affirm every person as unique and unrepeatable through calling one another by name. Teachers are committed to praying for their students by name.

EDUCATION We believe education is first a cultivation of awe and wonder at the gift of God's creation. Every subject is seen through this lens.

VOCATION We help our students discern their unique vocation to love, and lead by example by devoting our lives to Christ through a total gift of self. Through fidelity to our vocations, we strive for Christian sanctity.

DISCIPLINE We expect a total commitment freely chosen by our students, faculty and staff to live their true meaning and purpose in communion with Christ and the entire school body. We bring a pastoral approach when a rupture in this communion occurs--always in furtherance of preserving, protecting and strengthening our commitment to a harmonious life together in communion with Christ.

ENVIRONMENT We recognize the goodness of creation and its power to reveal something of the glory of God. Therefore, we strive to preserve and celebrate the goodness and beauty of creation through our choices regarding school grounds and decor, conservation, food, attire, athletics, the arts, and incorporating the natural world into our educational activities.

AUTHENTIC MASCULINITY & FEMININITY We recognize the givenness of our maleness or femaleness as revealed by the human body as a sign of God's love and seek to cultivate and protect this treasure in each other.

WHAT WE CULTIVATE...

When we live together aligned with our essential meaning as gift, sharing Christ's love in all that we do, we cultivate a campus life together rich in spiritual fruits as "charity, joy, peace, patience, kindness, generosity, goodness, faithfulness, gentleness, modesty, self-control and chastity" (CCC 1832 and Gal 5:22-23).

In St. John Paul II's words, this is the "hope of everyday," made possible by Christ's redeeming love for us!

Homework

A reasonable amount of study at home is important. The amount and type of work will be determined by the teacher depending on the grade level and ability of the child.

Homework is given to reinforce concepts and skills taught in class. It develops study habits and responsibility. Homework provides a daily link between the home and the school. Parents can monitor progress, encourage, praise, and share in the learning. This work may consist of school assignments and projects, recreational reading, review and study materials, voluntary activities as a natural outcome of interest, or individualized homework tailored to a child's specific needs.

Assignments are considered complete when they are handed in to the teacher for correction and/or comment.

If a student seems to have an unusual amount of homework on a regular basis, the parents are encouraged to talk with the teacher(s) about the situation. Homework should be turned in on the due date at the beginning of class. This lets the teacher know if the student understands the concepts are being taught.

Parents can help in these ways:

1. Arrange a daily and regular time for study in a quiet place.
2. Show an interest in the work children bring home from school.
3. Check to see homework is completed and books are returned to school each day.
4. If there is no written assignment, please consider the following suggestions: study spelling words, use math flash cards, and read and/or write to family and friends.

Assignment Expectations

- Homework may be assigned Monday-Friday
- When students have completed all written work at school they should spend time:
 - Reading- Accelerated Reading Book is preferred.
 - Learning basic math facts
 - Learning prayers and doctrine taught in Religion class.
 - Studying spelling words
 - Learning reading skills
- Assignment notebooks containing recorded assignments should be coming home with the homework.
- Students should have one or more pocket folders to use as a homework organizer.
- Parental help can be given – but independence is the goal.
- Assignments are to be done neatly and completely following grade requirements.
- Students are expected to hand in work on time. Work is to be completed so it can be handed in the day it is due at the beginning of each class.

- If work is handed in late, a grade reduction will be given based upon the teacher's discretion.
- Students may be asked to stay in for recess to complete work.
- If a pattern of late assignments develops, parents will be contacted by note or phone call.
- When a student needs to stay after school to do a late assignment, the parent will be informed by phone from the school Office.
- Progress reports will be sent home at the end of the 4th week for all grades each quarter.

Conferences

Parent/Teacher conferences are held during the first and third quarters. Conferences are an ideal time to check on study habits, classroom behavior, attitude, and other areas of your child's growth. Parents and students are required to attend the first quarter conference; third quarter conferences are scheduled at the request of either the teacher(s) or parent(s). Parents are encouraged to keep in contact with their child's teacher throughout the year. If at any time during the year a parent would like a conference or a teacher feels a conference is necessary, one can be arranged.

Report Cards

Diocesan evaluation reports are issued four times a year. The reports are used to formally evaluate the child and communicate this information to the parents. Report cards also provide an opportunity for parents, teachers and students to develop a better working relationship in accordance with each student's needs.

It is important to remember your child is an individual and the information should not be compared with any other child's report card. This is especially true of children in the same family.

Report cards are not the only form of communication of a student's progress. Parents should be continually aware of their child's progress through completed assignments and other communications from the teachers.

Progress Reports

Progress reports for all students will be sent home to parents after the fourth week of each marking period.

Retention / Acceleration (Diocesan School Policy 5210)

The school is responsible for making the decision to retain a child or to accelerate a child to another grade. The decision to retain or to accelerate should be made only after serious reflections and evaluation and consultation with the teacher and parents. The school principal is the individual responsible for making the final decision. If a student is failing one or more classes, a conference must be held to discuss a plan of action.

Consideration for retention is based upon the following information:

1. Standard achievement test results
2. Actual grades in all subject areas
3. Student Ability
4. Staff Recommendations
5. Parent Input

Diocesan Standardized Testing Program

St. John the Baptist Catholic School follows the program suggested by the La Crosse Diocesan Office of Catholic Schools and WI State Standards. These tests indicate the growth and progress of your child as to his/her academic ability. The results are recorded on the student's permanent record and shared with parents. Each year the principal and teaching staff analyze the results. These tests assist in evaluating the educational process at St. John the Baptist Catholic School. Renaissance Star Testing will be administered to students in Grades K through 8 in the fall and at periodic intervals throughout the school year.

ACCIDENTS

When accidents occur on the school grounds, the student should tell a teacher. First Aid will be administered immediately. Depending upon the seriousness of injury, an attempt to contact the parents or the emergency contact person (listed in the student file) will be made. If contact cannot be made, or the injury is of a serious nature, initiation of treatment will be up to the principal or secretary.

Parents are to have their own medical insurance to cover accidents. The school does not have insurance covering accidents occurring either on or off of school grounds.

ADMISSIONS

Every Catholic school respects the dignity of each person and, therefore, will not bar admission to any child because of race, gender, or nationality. Furthermore, the creed of any child will not bar admission to St. John the Baptist Catholic School unless this would hinder the Catholic philosophy of our school.

To be admitted to the 3K program, the child must be 3 years old by September first (or principal's discretion) and be toilet trained. (ie. Be able to wipe and pull up pants alone.)

To be admitted to the 4K program, the child must be four years of age on/by September 1st of the school year for which he/she is enrolling.

To be admitted to Kindergarten, the child must be five years old on/by September 1st of the school year for which he/she is enrolling.

Part of the parental agreement when enrolling a student is the payment of tuition. It is expected each family will make arrangements to meet this obligation. Tuition rates are published in the

spring. Tuition assistance is available for families; contact the parish office for information on this program: 1-715-352-3011.

In the case of divorced or separated parents, it is necessary for a copy of the custodial agreement to be kept on file in the school office. It is the responsibility of the custodial parent to notify the office if there is a change in the custodial agreement.

ASBESTOS MANAGEMENT PLAN

The school's management plan for the identification and management of asbestos is located in the school office. The document is available for review by parents

ASSIGNMENT NOTEBOOK

Each day students in grades three through eight will use their assignment notebooks by signifying either with the assignment given or what had been taught in class. Parents may need to sign the notebook stating their child has completed the assignment each day. Students are to have their assignment notebooks in every class.

ATHLETIC CODE

This code has been established by the School District of Edgar and governs any student involved in extracurricular activities at the public school. Any student participating in athletics must have a wellness check and comply with all the rules set by the WIAA. This includes academic requirements.

ATTENDANCE

School is the student's full-time job; its importance will be reflected in how the parents treat that job. Being in school whenever possible helps reinforce that attitude. Daily attendance is essential for a child to be successful in school. **All parents are strongly encouraged to plan family activities around the school day and for school breaks.**

If and when a child becomes ill, it is the parent's responsibility to contact the office as soon as possible. Parents may call the office or email the secretary if a student will be absent or tardy. If this is not done a note must accompany the student's return to school. If no communication with the office is made the student will be considered unexcused. If a student is marked absent by a teacher, but the office has not heard from the student's parent(s) regarding the absence by 8:30 am, the parent(s) may be contacted to determine the reason for the absence.

1. Absence

- All student absences must have a form of documentation to excuse them. A phone call, email or a written excuse from the parent or guardian upon their return to school, stating the reason for the absence and the date of the absence are acceptable. The school is required to keep these notes on file.
- Students have the length of the absence plus one school day to make up all assignments missed during an absence. Teachers may extend the length on an individual student basis. For long term illnesses a meeting with the principal must be made to make arrangements for the work to be completed.
- Students must attend school and classes for at least half a day to be eligible to participate in any extra-curricular activities after school. Students should not attend any extracurricular activities, even as an observer, if they missed school that day.

2. Anticipated Absence

Anticipated absences are to be discouraged. Absences are not in the best academic interest of the students. However, if an anticipated absence is necessary, arrangements are to be made in advance. An anticipated absence form is available in the school office, and should be picked up by the student for parents to fill out as soon as the anticipated absence is planned. A student is to see respective teachers prior to the absence to arrange for making up the work missed.

Absences or absence requests for non-medical reasons without written permission from a parent/guardian, or not approved by the principal, will be considered truant.

3. Leaving School During the Day

A student will be allowed to leave the school grounds during the day only with previous written permission or communication from parents with the office. The principal must approve all permits. Please schedule appointments after school or on vacation days as much as possible. Parents must sign their student in or out from the school office upon late arrival or early departure.

4. Medical Excuses

Parents are urged to schedule medical or dental appointments during vacation periods or after school hours. If a medical or dental appointment needs to be scheduled during school hours, please bring a note from the medical or dentist office upon the student's return to

school to turn in to the office.

5. Tardiness

A student is considered tardy if not sitting at his/her desk at 7:45 a.m., or if a student arrives late for school but before 8:30 a.m.

BIKES

Bikes may be ridden to school if parents are assured the child(ren) can ride safely and follow biking rules. Bikes should be walked across the streets by school and on the sidewalk to avoid collisions with pedestrians. The school is not responsible for bikes. Skateboards and rollerblades are NOT to be used on parish property during school hours. Bikes, etc. should not be ridden to Edgar Elementary for Band, Special Education Classes or any other reason during school hours. Bikes may be ridden as part of school physical education class or special school activities under the supervision of a teacher.

BUSING

Busing services are provided by Fischer Transportation. **715-352-2169**

Bus Passes

Only students assigned to a bus may ride that bus. Students wishing to be dropped off after school at a place other than their usual drop-off need to get a bus pass from the school office prior to getting on the bus to give to the bus driver. In order to receive a bus pass, a signed note from the student's parent needs to be provided granting permission for the different drop-off location.

Bus Rules / Expectations

Prior to Loading the Bus

- Do not leave the bus at places other than the regular bus stop unless proper authorization has been given in advance by parents and school officials.

Extra Curricular Trips

The above rules and regulations would apply to any trip under school sponsorship. Students shall respect the wishes of the bus driver, teacher, and chaperone appointed by the school.

CHEATING / ACADEMIC DISHONESTY

In an attempt to curb the amount of academic dishonesty, we have developed a specific honor code which students must abide by. The following are the consequences for cheating or plagiarizing:

1. Parents will be called by the teacher and the situation explained.

2. The grade for the test or assignment will be a "0". Students may complete the assignment.
3. A referral form will be issued and the offense will be documented; a detention will be issued.

Consequences for further cheating or plagiarism:

Second Offense: Teacher contacts parents for a meeting with the parents and principal.
Student fails the class for the quarter the second offense takes place in.

Third Offense: Teacher contacts parents for a meeting with the parents and principal.
Student fails the class for the semester the third offense takes place in.

Catholic Faith and Moral Standard (Diocesan School Policy 5112)

As a condition of initial and continued enrollment as a student in the diocesan schools, a student's conduct must be consistent with Catholic faith and morals. Conduct which is inconsistent with Catholic faith and morals, which is a threat to the health, safety, and welfare of other students and/or causes scandal, impairs or threatens to impair the reputation of the Church or its schools, is grounds for disciplinary sanctions up to and including immediate expulsion.

CHILD ABUSE LAW

Wisconsin State Statute 49.981 requires certain people to report cases of suspected child abuse or neglect. Among those mentioned in this law are nurses, school teachers, social workers and administrators.

COMMUNICABLE DISEASES (Diocesan School Policy 8000)

The health and safety of students and staff will be the primary consideration in dealing with communicable diseases. The administration will contact the proper authorities when there are concerns related to communicable diseases. It is the responsibility of staff members to report any suspected or diagnosed communicable diseases to the principal. Necessary precautions will be taken. Confidentiality of a student or staff member shall be maintained. However, appropriate staff members will be informed of related risks and necessary precautions.

St. John the Baptist Catholic School follows the Diocesan policy on St. John the Baptist Catholic School personnel and students with HIV, AIDS, or any other communicable disease. That policy is located in the school office and is available to parents and students upon request.

CONFIDENTIALITY (Diocesan School Policy 5310)

Rather than strict confidentiality in regard to student-school employee communication (verbal and written), the Diocese of La Crosse Catholic schools operate under a “spirit of confidentiality.” This means that outside of the sacramental confidentiality between priest and penitent, strict confidentiality cannot be promised to the student if the information disclosed by the student includes, but is not limited to, one or more of the following:

1. Information concerning violation of the law.
2. Matters involving the health and safety of the student or any person.
3. Serious moral issues.
4. Any other matter raises serious concern in the mind of the employee where he or she believes it is important to share the information with the principal. The principal, after consultation with the Office for Catholic Schools, may choose to disclose the information to parents, legal authorities, medical personnel or other deemed necessary personnel.

COMPLAINTS FROM PARENTS

Harmony between teachers and parents is always a goal at St. John the Baptist Catholic School. Parents are encouraged to discuss differences with the teacher in hopes of meeting common ground. However, if a situation should arise in which the parent and teacher cannot resolve their differences and the parent files a complaint, the following guidelines will be followed:

1. The complaint should be given to the principal in written form. No anonymous complaints will be acted upon.
2. As soon as possible after receiving the complaint, the principal will review the written complaint and talk to the parent for clarification (if necessary).
3. The principal will talk with the teacher, sharing the parent’s concern. The teacher has the right to read the complaint and to respond in writing.
4. The principal may arrange for a joint conference with parent and teacher to discuss and resolve the issue. In every case both the parent and the teacher will be informed of the resolution of the situation.
5. If the parent is not satisfied with the outcome, he/she may appeal in writing to the pastor.
6. The pastor will meet to review the complaint and work for a satisfactory resolution which is fair to both the parent and the teacher, as well as good for St. John the Baptist Catholic School. This response will be in written form and will be given to both the parent and the teacher.

7. At the discretion of the Pastor and Principal, a written complaint and the teacher's written response to it may be included in the teacher's personnel file.
8. Pastor may go to the Education Committee for advice or the diocese if not satisfied with the resolution.

COURTESY

Courtesy is definitely considered a high priority in our guidelines in developing the whole person. Teachers and students should show mutual respect.

Building / Hallway Courtesy

Certain expectations are to be followed for the smooth-running of a school.

1. Students and teachers will show concern for one another, using common spoken courtesies (please, thank you, etc.)
2. Students show respect in addressing teachers and other adults by their proper titles and by greeting adults they meet in the hallways and at the doors.
3. Students show respect by opening and closing doors for teachers, visitors, and fellow students.
4. Students should help carry books, materials, etc. for teachers, visitors, and peers.
5. Older students show love and concern for the welfare of younger students.
6. Students should walk **quietly** when passing in the hallways, so as not to disturb the learning process in other classrooms.

School Courtesy

Education is most effective when everyone involved is focused and ready to work. Basic rules for classroom behavior are as follows:

1. Students will enter classes prepared with the necessary materials and will be attentive and ready for the class presentation to begin.
2. Students will respect the answers of all peers.
3. Each student will maintain a level of quietness and awareness appropriate for the instruction being given.
4. Personal grooming should not take place in the classroom.
5. Common spoken courtesies (please, thank you, excuse me, you're welcome, etc.) are expected.
6. Students will listen to instructions and follow directions.

7. During presentations and group discussions, students are to avoid trips to the pencil sharpener, wastebasket, etc.

Relationship Courtesy

St. John the Baptist recognizes that genuine feelings of affection may exist between two students. However, students shall refrain from all Public Displays of Affection (PDA) while on campus or while attending and/or participating in a school-related activity.

Being overly affectionate at school can be offensive and is generally in poor taste. The expression of feelings toward one another is a personal concern between the two individuals and thus should not be shared with others in the general vicinity. PDA includes any physical contact that may make others in close proximity uncomfortable or serves as a distraction for themselves as well as innocent onlookers.

Unacceptable public displays of affection include, but are not limited to, any prolonged embracing and/or kissing, inappropriate touching, and touching of a sexual nature.

Students who violate this policy may be subject to disciplinary action, counseling and/or parental intervention.

CURRICULUM

Curriculum at St. John the Baptist Catholic School is periodically reviewed by teachers/principal. The State and Diocesan Standards and developmentally appropriate practices are incorporated into the school curriculum. The principal and staff select textbooks and student materials based on those guidelines.

Teacher correction will be given up to 3 times a day for students in Grades K-4. Twice during the class period for Grades 5-8. If unacceptable behavior has not changed, a conduct correction referral form will be sent to the parents.
- II. **Detention:** A lunch-time or after-school detention can be used for students who are not successful with their behavior change after "step one" is implemented. The principal will determine when an office detention will be served.
 - **After School Detention**
 - After school detention begins 10 minutes after the last scheduled class period on designated days of the school year and runs from 3:30 p.m. to 4:20 p.m.
 - Once a student has misbehaved to the point of earning a detention referral, the staff member must fill out a referral form and turn it into Administration.
 - Administration will assign the date the detention will be served and return the form to the student. It is the student's responsibility to take the referral home for parents to read and sign.
 - The student must return the signed referral to the detention proctor or an administrator. Students are to report to detention promptly. Students may be required to complete odd jobs or write sentences/essays as part of their detention.
 - Students are not allowed to talk, study, or sleep during detention. The detention proctor will mark down the time the student arrives and when the detention has been served.
 - Students who talk or misbehave during detention will be sent out and be referred to administration for further disciplinary action

- III. **Conference:** After a detention has not proven to change the behavior, a conference with student, parent(s), and teacher must take place. The Principal may be asked to be present. Plans are made to bring about understanding and change in behavior.
- IV. **Suspension:** A suspension may be given if the behavior does not improve after the conference. This suspension will be a full-day removal that must include written notice given by the Principal to the parent stating reasons, effective date(s), and manner of re-entry; not to exceed two consecutive days.
 - **Out of School** – Removal from school, school activities, and extracurricular activities. All class work assigned must be complete before readmission.
 - **In School** – Under supervision of school personnel but isolated from other students, school activities, and extracurricular activities. All class work assigned must be completed before readmission.
- V. **Special Behavior Agreement:** A plan to improve behavior will be implemented and kept on file in the office. The plan must include the following:
 - Previous behavior correction attempts and results.
 - Written notice to the parents.
 - Reasons for the special behavior agreement.
 - Specific terms of agreement including time of review.
 - Consequences that will follow if misbehavior occurs.
 - Signature of at least one parent, student, teacher, and principal on the plan.
 - The pastor will be informed if terms are broken.
 - Process of permanent dismissal will begin.
- VI. **Dismissal and Expulsion:** The dismissal or expulsion of a student from a Catholic school is a very serious matter and should be invoked only in extreme cases. Care should be taken that fundamental fairness is offered to the student in the process of expulsion. All dismissals and expulsions are to be approved by the diocesan director of the Office for Catholic Schools. (Diocesan School Policy 5115)
 - The term “**expulsion**” is: Termination of a pupil as a student from the school permanently (no opportunity for reinstatement).
 - The term “**dismissal**” is: Termination of a pupil as a student from the school less than permanently (indefinite or for a given term).

DRUG AND ALCOHOL POLICY AND CURRICULUM

As a condition of initial and continued enrollment as a student in the diocesan schools, a student’s conduct must be consistent with Catholic faith and morals. Conduct which is inconsistent with Catholic faith and morals, which is a threat to the health, safety, and welfare of other students and/or which causes scandal, impairs or threatens to impair the reputation of the Church or its schools, is grounds for disciplinary sanctions up to and including immediate expulsion.

In providing students with the best education possible, we have the obligation to ensure an environment free from the dangers of drugs, alcohol, and tobacco. Because we recognize the need to address these issues, St. John the Baptist Catholic School has chosen to include in its handbook, the Drug & Alcohol policy adopted by the Diocese of La Crosse. Copies of this policy are available to all school families.

The curriculum of St. John the Baptist Catholic School encompasses a range of subject matter. While we may not have classes specifically titled “Health”, we include the teaching of healthy living in a variety of methods and subjects (Religion, Science, Social Studies). Some grades may have a separate Health class where the effects of alcohol and drug use are taught. The following is a composite of the drug and alcohol curriculum at St. John the Baptist Catholic School.

5 Year Old Kindergarten

In Religion class, students learn their bodies are a gift from God. In group discussion the students will become aware of the fact there are healthy substances and unhealthy substances to choose from in the world. The students will be introduced to the terms “drugs” and “alcohol”. The students will learn alcohol is a drug. The students will learn about the negative consequences of drugs. The students will realize they make choices every day. The students will be introduced to simple decision making skills and will practice them in small groups.

Grade 1

In Religion class, the students will learn about alcohol and other drugs – why they are bad and how they affect us. Students will learn how to stay safe, avoid strangers, and practice how to say “no” if and when they are offered drugs and alcohol. They will learn that using drugs is against the law and using them has certain consequences.

In Science class, the students will learn about the effects on your body, of using alcohol or drugs, now and as they grow. Students will be introduced to what drugs might look like through pictures and illustrations and how drugs are bad for you.

Grade 2

In Religion class, a unit on personal health and safety is taught to the students. This unit covers drugs and alcohol – why these things are bad – and how to make good choices in regard to their use or non-use.

In Science class this subject is covered in the curriculum on the human body in how what we put into our bodies can make us feel good or bad and the ways drugs can hurt our minds and bodies.

Grade 3

In Religion class, there are opportunities during some of the lessons to provide instruction and discussion regarding the nature and danger of drugs and alcohol and how the use and abuse of drugs and alcohol can have an effect on entire families.

In Science class, the non-nutritional aspect of drugs and alcohol is covered in the units of “The Senses” and “Choosing Food Wisely”.

Grade 4

In Religion class, the emphasis is on The Ten Commandments. The discussion about using drugs and alcohol can be incorporated into almost every commandment the student learns.

In Science class, the subject of alcohol and drugs is covered in the human body unit. Students learn about the effects of drugs and alcohol on the physical body.

Grades 5 / 6

The subject of drugs and alcohol is taught as a regular unit in Science or Health class. Students learn the names and various drug types, the difference between prescription and non-prescription drugs, and effects on both the mental and physical being. During the morality teachings of the Religion class, students discuss the reasons for drug use being illegal and the consequences for illegal possession or sale of drugs.

Grade 7 / 8

Students from our school attend the DARE program at the public school and are given instruction regarding drugs and alcohol.

- Drug and alcohol awareness
- Charts on different types of drugs
- Comparing effects on users (physical and psychological)
- Videos on real life experiences of teens who have been in drug recovery programs and also those who have made the choice not to do drugs.

- Study of advertising and how advertisers attempt to get people to use their products.
- Students write essays explaining how they will use the D.A.R.E. decision-making process in their own lives.

ELECTRONIC DEVICES

Devices such as cell phones, iPods, iPads, etc. should be left at home. St. John the Baptist Catholic School is not responsible for lost, stolen, or damaged devices.

Emergency contacts should be made by calling the School Office at 715-352-3000.

If a cell phone is needed for after school purposes, it should remain turned off and in the student's backpack. Students who abuse this policy will have the electronic device taken to the office to be picked up at the end of the day. Further violation of this policy may result in parents picking up the device from school, suspension or loss of other privileges.

Parents may be responsible for bearing the cost of repairing or replacing any device that is lost, stolen, damaged or not returned to the school upon immediate request.

EMERGENCY INFORMATION FORMS

An emergency information form is required for each child and is to be completed at the beginning of the school year. It is important for parents to inform the school if emergency information changes.

FIELD TRIPS

Field trips are a privilege. St. John the Baptist Catholic School sets minimum academic, effort, and conduct expectations for participation in such trips. These expectations are so students complete the required assignments in a satisfactory manner and meet prior requirements set up by teachers and approved by the principal.

All field trips and outings must be approved by the principal. All students attending the field trip need to have the written consent of a parent/guardian. Events held within the Village of Edgar only require a signed Universal Permission Slip (found at the end of each Student Handbook).

Events held outside of the Village of Edgar will have permission slips specific to their event generated by the school secretary. The permission slip will include basic trip information such as location, date(s), time(s), chaperone(s), and mode of transportation.

FIRE AND TORNADO DRILLS

In accordance with state fire department regulations, fire drills are held monthly throughout the school year. Students are to move silently and quickly to directed exits. All persons within the building must evacuate. Fire drills are conducted every month. Tornado drills are held in the spring. Instructions are posted in individual classrooms.

FIRST EUCHARIST AND RECONCILIATION

The second grade children at St. John the Baptist Catholic School study the Sacrament of Reconciliation and the Sacrament of Holy Eucharist. St. John the Baptist Catholic School assists parents and parishes in this preparation.

FUNDRAISING

Tuition and a family's choice to purchase SCRIP covers only a part of the cost of educating a child at St. John the Baptist Catholic School. It is necessary to fundraise to offset the cost of education. Because parish fundraisers subsidize the school budget, parents are to support all parish fundraisers throughout the year. Besides supporting these fundraising events by purchasing and selling tickets, help is needed in running the events, clean-up, etc. Additional support through: Selling candy bars, wreaths and coffee and other programs as they become available is appreciated.

GRADUATION

Eighth grade graduation date will be determined annually based on the Department of Public Instruction hours of instruction requirement and will be communicated in the annually published school year calendar. The graduation will be celebrated with an evening ceremony. Following the ceremony, a reception is held in the parish hall for graduates, families, and friends. Seventh grade parents/guardians are responsible for hosting the reception with assistance from the Home & School Association, which includes refreshments, set-up, and clean-up.

GUNS / WEAPONS

For the protection and safety of all staff and students, guns or anything resembling a gun - even a toy one - are not allowed in school or the school premises. Consequently, no projects or assignments should be based on guns. No computer games should be played involving guns or excessive shooting. Similarly, other types of weapons or excessive violence should be avoided.

HEALTH AND MEDICATION

It is expected of each student to attend school when in good health. Please consider the health of your child and others before sending your child to school with symptoms of cold or flu. Parents should use their best judgment when sending their child back to school, so as to not spread the illness. Children with any of the following need to be out of school:

1. Oral temperature of 100 degrees or higher.
2. Nausea, vomiting, or diarrhea within the last 24 hours.
3. Unexplained skin rash or eruptions, especially with other physical complaints.
4. Constant cough, sore throat, nasal congestion/discharge, or red eyes with drainage present.
5. On antibiotics for less than a full 24 hours before returning to school.

If your child is taking antibiotics for an infectious disease, doctor approval for return to school is recommended.

Each family will be asked to screen their children for symptoms each day prior to sending them to school. Students who are sick must not attend school.

If your child has a temperature of 100.0 or higher, chills, cough, muscle or body aches, shortness of breath, headache, loss of taste/smell, sore throat, congestion/runny nose, nausea/vomiting, and/or diarrhea, they need to stay at home. HOWEVER, if your student has a diagnosed, pre existing condition causing those symptoms, then they would be okay to come to school. For example, a student with diagnosed asthma will likely have shortness of breath and cough at times, and a student with IBS may have diarrhea often.

Please let the school office or your child's teacher know if your child is having symptoms on any given day.

Medication

Any medications, including over-the-counter types, are not dispensed at school without written permission from the parent. It is required for the medicine to be brought to the office in the original container with administration instructions attached. The parent must send an accompanying signed note with the medication to give permission for dispensing the medication.

If the possibility is foreseen for a child to need over-the-counter medication during the day (e.g. mild headache, new braces, minor stomach upset, scratchy throat, dry eyes), parents are to send the medication in an original container with a signed note giving written one-day dosage directions. This needs to be done as needed on a day-by-day basis.

HOME AND SCHOOL ASSOCIATION (HSA)

St. John the Baptist Catholic School's HSA is a support group of parents, teachers, and other parishioners. All St. John the Baptist Catholic School parents, teachers, administration, and staff are welcome to attend any Home and School Committee meetings. It is expected of all parents to take an active part. Parents, who participate, help their children greatly. HSA sponsors several activities throughout the year. Fundraisers sponsored by HSA generate money used for extra school materials and improvements. Social activities are provided for family participation.

The Home and School Committee serves as "a booster club" as well as an advisory board for St. John the Baptist Catholic School. The committee will engage in various activities, which promote Catholic education in our community.

Lunch Periods and Cafeteria Rules

Teachers and other staff members will accompany the students to the cafeteria and assist them in whatever way is needed. These same people supervise the lunchroom activities. While mealtime is a social gathering, it is not a recess. The students are expected to maintain a respectful level of talking and to show good manners.

1. Students will say grace before leaving the classroom.
2. They will use the restroom and wash their hands before coming to the church basement.
3. Students walk over to the church hall and always enter the church building quietly.
4. Students will sit quietly until dismissed to go through the lunch line. No running or pushing.
5. Students should leave their outside jackets/hats etc. by the table.
6. Always be polite – “Yes, Please” or “No Thank You” are always appreciated.
7. Handle food and lunch items properly. Food and other items on the student’s tray are to be touched by that student alone. A microwave will be available for students who bring cold lunch. A staff member will assist the student to use.
8. In order to maintain a calm, pleasant atmosphere in the lunchroom, students are to visit quietly with those sitting next to them. They will have a chance to talk to all others during recess.
9. Students are to remain seated while in the lunchroom unless they are getting food or walking to the bathroom.
10. Only one girl and one boy from each grade can be in the bathroom at a time.

If students do not follow the lunchroom rules, they, and possibly their entire table, may be last to go outside for recess.

Account Statements

Automatic account notifications will be generated weekly from Sycamore to families with balances less than \$20.00 if an email address is available. If an email address is not available, a paper statement will be sent home with the family's designated messenger. Families can always check their current balance by logging in to Sycamore, the school information software.

End of Year Balances

At the end of the school year, all families will be mailed their balance with their fourth quarter report card(s). Any balance, whether positive or negative, will be carried forward to the next school year, unless the family will not be enrolled at St. John the Baptist Catholic School in the next school year. Balances carried forward will be handled in the following manner:

If the balance is POSITIVE ...

- **and the family is enrolled for the next year ...** no action will be taken.
- **and the family is not enrolled for the next year ...** the family will be contacted regarding reimbursement. The family may choose to donate their balance to the Hot Lunch Program if they desire.

If the balance is NEGATIVE ...

- **and the family is enrolled for the next year ...** the family will be contacted to encourage making payments so they can start the next year with \$0.00 or positive balance.
- **and the family is not enrolled for the next year ...** the family will be contacted to encourage making payments so the balance can be paid in full.

ILLNESS AT SCHOOL

If a student becomes too ill to stay at school, the School Office will attempt to contact the parent(s) immediately. Until contact is made with a parent or designated emergency person, the student will be kept in school.

MASS DAYS

It is the expectation of all students to be dressed with higher standards on Mass days. Dress shoes and dress shirts instead of sneakers and t-shirts would be an example of higher standards. Leggings, yoga pants & tights must be paired with a long loose fitting tunic or dress which cover legs down to mid-thigh area. Tight fitting shirts are not permitted with leggings, yoga pants & tights. **ATHLETIC WEAR OR SWEATSHIRTS ARE NOT PERMITTED ON MASS DAYS.**

MONEY

PERSONAL APPEARANCE

Student's dress and personal appearance are primarily the responsibility of each individual student and parent. All clothing - tops and bottoms - must be clean, in good repair, and of proper fit.

There are many possible situations which would warrant having your child dress in a manner which does not meet these guidelines. At those times, we ask parents to use their best judgment in deciding what their child should wear to school.

Special prayers are added to the day when appropriate. All students in Kindergarten - Grade 8 will have a list of prayers they should know in their particular grade. This prayer list will be sent home during the first two weeks of school. Parents are asked to assist their student in mastering these prayers and to encourage this daily rhythm of prayer in the home.

QUESTIONS AND CONCERNS

If you have a question or concerns about something in the classroom please contact the teacher involved first. Most of the time this will resolve the situation. If not, the principal is to be contacted. Diocesan Administrative Recourse is the exclusive method for resolving disputes between employees, students, and their parents. The Diocesan regulation follows (Diocesan School Policy5901):

STUDENTS: Administrative Recourse

Any grievances by or on behalf of the students shall be resolved through Diocesan Administrative Recourse. Diocesan Administrative Recourse shall constitute the exclusive method for resolving such disputes and all employees, students and their parent(s) / guardian(s) are bound by its determination as final and binding upon them. No dispute shall be submitted to Diocesan Administrative Recourse unless, within 30 day of the occurrence giving rise to the dispute, the first step of the Diocesan Administrative Recourse is commenced by or on behalf of the student.

Outline of the claim of authority to be followed in resolving disputes:

1. Teacher or other school employee
2. Principal
3. Area Administrator (if there is one)
4. Pastoral Authority
5. Dean
6. Diocese

Procedure in the Diocese of La Crosse:

When one of Christ's faithful judges himself or herself injured by the decision or action of a person exercising pastoral or administrative authority in the Diocese of La Crosse, he or she, first is to confront the person in question with the grievance and seek reconciliation with the person.

If the party who judges himself or herself injured is not able to achieve reconciliation by conversation with the authority involved, he or she may present the grievance to the pastors of the Church within thirty calendar days of the time of the alleged injury. The recourse is to be made in writing and is to state facts of the conflict and the reason or reasons why the party judges himself or herself injured. The response to the recourse also is to be made in writing and is to state the reasons for the response given.

If the grievance is against an authority in the parish, the appeal first is to be made to the pastor who is to seek to reconcile the two parties. At this level and at the successive levels, the pastor may seek the assistance of others, especially those respected for their ability to reconcile: but in the end the pastoral authority remains responsible for seeking the resolution of the conflict. No consultative body as such or members of consultative bodies, in virtue of their membership, should be given the pastoral responsibility of resolving such conflict. The consultative body, e.g. the pastoral council, has responsibility for assisting the pastor in clarifying policies in cases of conflict or interpretation. It does not, however engage in the administration of the policies. The pastor is obliged to respond to the recourse within fifteen calendar days from the time he receives it. Once the pastor has given his response to the recourse, the conflict is considered reconciled, unless the pastor's response is appealed to the dean within fifteen calendar days from the date the parties in conflict receive the response.

To inspire young people with enthusiasm for living the Catholic Faith.

To present our Catholic faith accurately and completely.

To show young people how learning about and participating in their faith is the best preparation for living as a community of faith.

The “Faith and Life” program provides young people with:

A growing experience of reverence for the Scripture.

A faithful presentation of the church teachings.

A meaningful participation in the communal, sacramental and liturgical life of the church.

More prayer experience.

Mastering religious vocabulary.

An appreciation for the lives of Saints and of Catholics today who are trying to transform our world.

An opportunity to stimulate their religious imaginations.

A religious literacy that will support an enthusiasm for growing up Catholic in today's world.

Liturgy

Mass is every Wednesday at 8:00 am unless stated otherwise in the newsletter. Students will also attend First Friday Mass and Benediction.

Students celebrate Mass through an active participation of singing, listening, praying, reading, and worshipping. It is the expectation that all students participate fully in their liturgies.

Students are to enter and leave church quietly. High standards of respect are expected. Proper behavior in God's house is necessary on all occasions - whether it's a religious service or a non-religious activity.

The school celebrates the liturgical year in the context of parish and family life. Students in grades K through 8 participate at Mass once a week. All students experience leadership roles as lectors, candle bearers, gift presenters, musicians, etc.

Second grade students are prepared for the first reception of the Sacraments of Reconciliation and Eucharist. All students receive sacraments on a regular basis during the school year. It is important for parents to accompany their children in receiving these sacraments on Sundays in addition to the school schedule. The school lends support in faith development, but cannot take the place of parents as the primary faith teachers.

Parents will be kept informed of Mass and Sacrament schedules through the School newsletter.

SEXUAL MISCONDUCT PROCEDURES

A Pastoral Letter to Christ's Faithful of the Diocese of La Crosse

The Most Reverend Raymond L. Burke Bishop of La Crosse

October 18, 1997

Feast of Saint Luke, Evangelist

On the Promulgation of The Revised Sexual Misconduct Policy and Procedures For the Diocese of La Crosse

To Christ's Faithful of the Diocese of La Crosse:

Dear brothers and sisters in Christ,

The Church is our second home. Each of our individual homes is meant to be a small Church which finds its spiritual birth and growth in the larger Church, our parish. Our participation in the life of the church is, therefore, our greatest treasure after the gift of life itself. It is sacred to us, for it unites our individual lives to God, the source of all life, and to one another, the family of God's children.

Those who serve us in the Church represent, in one way or another, our Lord Jesus Christ as he shares His divine life with us in the Church. Priests and deacons, consecrated persons and laity who serve us in the Church, also as volunteers, are therefore held to the highest standard of moral conduct. Any breach of moral conduct on their part carries an additional burden of responsibility, for it betrays the trust which the Church places in them.

Sexual misconduct, because it is a violation of a person in his or her intimate being, always inflicts a most severe wound on the victim. When the act of sexual misconduct is carried out in the context of the Church's work, the wound is even more severe, for it touches upon the victim's faith in God and in His love for us. For that reason the Church, together with society in general, has become increasingly aware of the nature and gravity of acts of sexual misconduct, and desires to address such acts committed by agents of the Church with all of the spiritual remedies at her disposal.

The revised Sexual Misconduct Policy and Procedures of the Diocese of La Crosse indicate the practical ways by which our Diocese will continue to address the situation of sexual misconduct by those who serve God's people in the name of the Church. First of all, they mandate ongoing education of all agents of the Church regarding proper conduct, especially in the delicate area of human sexuality. In the sad case of an act of sexual misconduct, they aim to do what is just for all involved: the victim, the perpetrator and the whole body of the Church. What is more, they aim to bring the love of God to those who suffer the terrible wound inflicted by acts of sexual misconduct.

I take the occasion of the promulgation of the revised Sexual Misconduct Policy and Procedures to invite all who suffered the severe wound inflicted by sexual misconduct on the part of an agent of the Church to seek the healing and reconciliation which our Lord Jesus Christ alone can provide. The holy Gospels attest to the healing power of our Lord Jesus Christ. I invite you to place your trust in the Lord and in the grace of healing which He continues to pour out for us in the Church.

Saint Luke, whose feast we celebrate today, tells us that our Lord Jesus sent forth the Twelve on their mission "to proclaim the reign of God and heal the afflicted." (Lk 9,2) Let us pray that the revised Sexual Misconduct Policy and Procedures will be a fit instrument to assist in the healing of the terrible affliction of sexual misconduct. Let us invoke the intercession of the Blessed Virgin Mary, Mother of the Church, to bring health and healing to all the Church.

Invoking God's blessing upon you and your homes, I remain

Yours sincerely in Christ,

(Most Rev.) Raymond L. Burke

Bishop of La Crosse

REVISED CHILD SEXUAL ABUSE POLICY AND PROCEDURES OF THE DIOCESE OF LACROSSE

A Pastoral Letter to Christ's Faithful of the Diocese of La Crosse

On the Promulgation of the Revised Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse to Christ's Faithful of the Diocese of La Crosse:

Dear brothers and sisters in Christ,

For over a year now, the Church in our nation has been suffering a most severe crisis regarding child sexual abuse by her clergy. In the Diocese of La Crosse, the *Revised Sexual Misconduct Policy and Procedures*, which I promulgated on October 18, 1997, have been faithfully followed in dealing with any allegations of sexual misconduct on the part of any agent of the Diocese. They have been applied with special attention to the care and protection of children who may have been victims of sexual abuse.

In response to the present crisis, the United States Conference of Catholic Bishops, in June of 2002, promulgated the *Charter for the protection of Children and Young People* to assist Diocesan Bishops in responding more effectively to the grievous crime of sexual abuse of a child by a priest or deacon. At the same time, the Bishops approved the *Essential Norms of Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons*, and the United States Conference of Bishops promulgated them on December 12, 2002, making them particular Church law for our nations.

Once the Holy See had completed the review of the Charter and the *Essential Norms*, the United States Conference of Catholic Bishops approved the revised text of both documents at its meeting in November of 2002. On December 8, 2002, the Holy Father's Congregations for the Bishops reviewed the *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons*, and the United States Conference of Bishops promulgated them on December 12, 2002, making them particular Church law for our nations.

Now that the revised *Charter* and the *Essential Norms* have been promulgated and published, I, once again with the help of a special committee, have prepared a revision of the policy and procedures which I promulgated on August 6, 2002. Today I am happy to promulgate and publish the *Revised Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse*. Cases of child sexual abuse by other Church personnel will continue to be handled according to the *Revised Sexual Misconduct Policy and Procedures of the Diocese of La Crosse*.

The special policy and procedures serve a number of important purposes. First of all, they convey clearly the message that sexual abuse of a child by a priest or deacon is a moral outrage; that it will not be tolerated or condoned in the Church, regardless of the status of the offender; and that the time and resources of Church authority are committed to a just and pastoral response to all involved.

The policy and procedures also provide a prompt, appropriate and compassionate response to reporters of sexual abuse of a child by a priest or deacon. At the same time, they respect the canonical and civil rights of all parties.

As is fitting in such cases, the policy and procedures provide the confidential means of gathering all relevant facts, which respect the privacy of the reporter and of the accused. They also offer, when appropriate, the means of making available competent and supportive professional resources to the accuser, the accused, the victim and the perpetrator.

Faithful to the Gospel and Church teaching, the policy and procedures foster and promote remediation, and forgiveness. They aim to restore trust among all in the Church.

Let us pray through the intercession of Saint Agatha, Virgin and Martyr, whose memory we celebrate today, that the implementation of this policy and these procedures will help to bring the healing of Christ to those who, as children, have suffered the deep and most injurious wound of sexual abuse of a priest or deacon. May the promulgation of the *Revised Child Sexual Abuse Policy and Procedures* be the occasion for all in the Church to make reparation for the crimes of sexual abuse perpetrated against children to seek an ever greater holiness of life. Through our prayer and penance, may we all be instruments of healing and reconciliation for our brothers and sisters involved in acts of child sexual abuse.

Let us confide to the intercession of Our Lady of Guadalupe, Mother of America, and Saint Joseph the Workman, Patron of the Universal Church and of the Diocese of La Crosse, the just implementation of the *Revised Sexual Abuse Policy and Procedures* for the good of all in the Church.

I invoke God's blessing upon you and your homes.

Given at La Crosse, this fifth day of February in the year of Our Lord 2003, the Memorial of Saint Agatha, Virgin and Martyr.

DECREE

PROMULGATING THE REVISED CHILD SEXUAL ABUSE POLICY AND PROCEDURES OF THE DIOCESE OF LA CROSSE

The Diocese of La Crosse has been following the *Revised Sexual Misconduct Policy and Procedures*, promulgated on October 18, 1997, which may have applied also to cases of allegations of sexual abuse of children by a priest or deacon.

At its General Meeting in June of 2002, the United States Conference of Catholic Bishops approved the *Charter for the Protection of Children and Young People* and the *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons*. The *Charter for the Protections of Children and Young People* required that the Diocese of La Crosse have specific policy and procedures to be followed in cases of child sexual abuse by priests and deacons, in order to address more effectively the grievous crime involved in such cases. In accord with the mandate of the *Charter*, I, with the assistance of a special committee, prepared and promulgated on August 6, 2002, the *Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse*.

At its General Meeting in November of 2002, the United States Conference of Catholic Bishops approved a revision of the *Charter* and the *Essential Norms*. On December 8, 2002, the Congregation for Bishops reviewed the *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons*, and the United States Conference of Bishops promulgated them on December 12, 2002, making them particular law for the Church in the United States of America.

Both the revised *Charter of the Protection of Children and Young People* and the *Essential Norms of Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons* required some revisions of the *Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse*. Therefore, once again with the assistance of a special committee, I have prepared a revision of the special policy and procedures to be employed in the Diocese of La Crosse in cases of allegations of child sexual abuse by a priest or deacon. Allegations of child sexual abuse by other personnel of the Church will be handled according to the *Revised Misconduct Policy and Procedures of the Diocese of La Crosse*.

I hereby promulgate the *Revised Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse*, including the *Norms Governing the Diocese of La Crosse Child Sexual Abuse Review Board*, effective today.

Given at La Crosse, this fifth day of February in the year of Our Lord 2003, the Memorial of Saint Agatha, Virgin and Martyr.

Initially, the Diocese of La Crosse Child Sexual Abuse Review Board shall review the records submitted to it by the Diocesan Bishop. If testimonial proof is necessary, the Review Board shall secure sworn statements from witnesses. If the record review and written testimonial proof is insufficient to make a recommendation to the Diocesan Bishop, oral testimony may be obtained.

SUPPLIES AND TEXTBOOKS

Each student is provided with a list of supplies before the school year begins. This allows for parents to purchase any necessary supplies during the back-to-school sales in the summer. Students are expected to bring the necessary supplies (including textbooks, workbook, and a notebook) to class. Borrowing supplies from others is not acceptable. Students and families are required to keep supplies replenished.

Assigned textbooks are the responsibility of the student. If a book is lost or damaged, the student will be assessed a fine to cover the cost of replacement. The students are expected to cover books and treat them with care so when books are returned at the end of the year, they are in good condition. If a student returns a textbook in poor condition, a fine will be issued. If a student fails to return a textbook, they will be fined the cost of the textbook.

TEACHER IN CHARGE

All Diocesan Catholic Schools have a teacher in charge who is to function in the absence of the Principal. The Teacher in Charge for St. John the Baptist Catholic School is Brenda Werner.

VALUABLES

Valuables should not be brought to school. St. John the Baptist Catholic School is not responsible for lost, missing, or stolen items.

VISITORS

Parents are welcome to visit the classrooms. However, for scheduling purposes and safety concerns, we request you contact the classroom teacher and the school office ahead of time.

Parents are encouraged to speak to their child(ren)'s teacher(s) regarding their progress. Please call to set up an appointment for after class hours.

For the cohesiveness of the educational environment, visits need to be kept purposeful. Parent visits may not be an interruption to the educational goals of the classrooms.

In accordance with the St. John the Baptist Catholic School's Safety Plan, all visitors MUST report to the Office prior to entering the classroom and again before exiting the building.

VOLUNTEERS

We welcome parent volunteers in our building. St John the Baptist School encourages families to become involved in their school community, lending their voluntary support to programs and events that positively impact the quality of education within our school community.

The following guidelines are for St John the Baptist Schools families who serve as volunteers at St John the Baptist School.

Volunteer Time

Families are asked to volunteer at least a combination of 10 hours on any school event or fundraiser of their choice each year per family unit (parents or guardians). Volunteer time at St John's School is mandatory for each family unit during the school year.

(Example; mom volunteers 3 hours of her time at the Halloween Trunk or Treat Event, dad volunteers a 4 hour shift at the hamburger stand, together they volunteer to help with set up, serving and take down at the Christmas Program for 3 hours = total 10 hours for the year).

Volunteer Guidelines - Events

Volunteer time for events must be chosen in advance and when possible, families should sign up on a volunteer event request sent out in school communication to ensure there are enough volunteers for an event or fundraiser.

Volunteer Guidelines - In School

If volunteering inside the school building or on field trips to make certain there is little disruption to the learning atmosphere; volunteers will be scheduled by the teachers and /or office staff.

If you have time and would like to put your volunteer time toward working in school as an accelerated reader aide, teacher aide, office aide, musician, or in any capacity within your abilities or interests, let the school office know.

Volunteers working with children need to fill out Diocesan paperwork before they are approved as a volunteer. This is done to comply with the Diocesan Safe Environment policy.

Volunteer Pay Out

If a family does not have the time to volunteer and would like an alternative, they are able to pay \$100 to opt out of volunteer hours for the school year.

Volunteering for Choice Families

St John's follows this policy as outlined by WPCP for Choice Families:

A school may ask that a Choice parent raise funds for or contribute volunteer time to the school. However, it cannot be required as a condition of admission. The school cannot punish a parent or student in the Choice program for failure to participate in fundraising activities or volunteer time.

WELLNESS POLICY

St. John the Baptist Catholic School developed a Wellness Policy according to DPI requirements. The policy, "Healthy Choices," is on file in the Office. "Healthy Choices" promotes students making healthy choices-nutritionally and physically. With the Hot Lunch program, Phy Ed classes, Health Classes, classrooms, and families working together, students will learn to make healthy food choices, and incorporate physical activity into their lives for a lifetime. In accordance with the Wellness Policy "Healthy Choices," the following regulations will be instituted at St. John the Baptist Catholic School:

1. Afternoon brain break for PreKindergarten through Grade 4 students on non-PE days.
2. Sugary treats may be brought into the classroom on birthdays and half birthday celebrations only.

3. Other snacks brought into the classroom must be healthy including: crackers, fruit, vegetables, and cheese for example.
4. Classroom or school parties may occur on a limited basis with permission from the teacher. It is encouraged that these parties include healthy food choices as well.
5. No soda.

UNIVERSAL FIELD TRIP PERMISSION FORM

(Destination is within the Village of Edgar)

**** Please return to School Office ****

During the school year, your child will have the opportunity to participate in field trips within the Village of Edgar. Students will either walk or take a bus to and from their destination.

Destination examples include but are not limited to:

- Edgar Elementary, Middle, or High School for guest speakers, sports meetings, etc.
- the Edgar Branch of the Marathon County Public Library,
- the Edgar Fire Department,
- activities at Edgar Lanes (bowling) and/or Oak Street Park,
- Walk for Virtues, etc.

Rather than requesting a permission slip for local events like these, we ask you to fill out this one-time universal permission form for the school year to keep on file in the school office. Parents will be informed in advance of these events so they are aware of them. The school office will still send out permission forms for trips when students go to a destination outside of the Village of Edgar.

If you do not wish for your child to participate in a particular trip, please notify the school office in writing prior to the occurrence of the trip.

Student's First and Last Name

The above-named student has my permission to accompany his/her class on planned field trips during regular school hours as described above. I understand I will be notified in advance concerning all field trips.

My child(ren) and I have discussed the handbook for St. John the Baptist Catholic School. We understand these guidelines are necessary for the development of Christian morals and values and for an atmosphere that allows learning to take place at all levels. We will work together, abiding by the provisions of the handbook, to make St. John the Baptist Catholic School a safe, sound environment, where Christian education is not only learned, but it is lived.
