

**SAINT JOHN THE BAPTIST
CATHOLIC SCHOOL
EXTENDED CARE PROGRAM
2026-2027**

Please note, this program is subject to change at any time.

The purpose of our Extended Care Program is to provide your child(ren) with a sense of well-being while adequately caring for your child/(ren). Our Program follows all school rules. The care and safety of your child(ren) is our number one concern.

Your child(ren) will have fun, relax, be creative, hang out with friends, and just be kids. We focus on being considerate toward others with kindness in words and actions, cooperation, and taking turns. We also reinforce what they learn in the classroom about the importance of community while working on community projects. Children of all ages can participate in activities, work on homework, or increase certain skills. This organized structure helps students with their confidence and builds their academic skills.

Program Registration

Pre-registration is preferred, but not required. Parents can register at any time throughout the school year to match their schedules needs. Children can attend either Before School Care, After School Care, or both. Attendance can be daily, a couple days a week, on a weekly basis, or as needed.
